--------------------------------------	--

<p>Product Features</p>	<p>This product provides customers with access to an approved line of credit that can be repaid and redrawn within the available limit at any time. It has the following key product features:</p> <ul style="list-style-type: none"> • Available online or through our national store network • Customers can redraw up to the available credit limit at any time during the contract. The use of the redraw feature is optional. The availability of this redraw feature is subject to internal credit policy (for example, and not limited to, resolved default payments) • This redraw feature is available via the "MyLoans" mobile app or over the phone • Credit limits from \$400 up to \$5,000 • No establishment fee • No penalty or fees for early loan repayments • The availability of the redraw feature does not attract fees
--------------------------------	---

Product Name **Cash Converters Line Of Credit ("LOC")**

Product Features

- Each draw and redraw can be repaid for a term of:
 - up to 18 months for credit limits from \$400 to \$2,000
 - up to 36 months for credit limits from \$2,001 to \$5,000
- Interest rate of 48% per annum on withdrawals and redrawn borrowings
- A default fee of \$33 is applicable on any missed payments
- The total monetary amount that can be recovered from the customer, if there is default in repayment, is capped at twice the total amount of credit provided in relation to the contract

Conditions

To ensure this product is directed towards the target market, the following conditions and restrictions apply to its distribution:

- Distributors must be an Australian Credit Licence ("ACL") holder, an ACL representative or operate under a valid National Consumer Credit Protection Act 2009 exemption or defence.
- Distribution of the product is limited to the Cash Converters store network in Australia, via our proprietary mobile phone app "MyLoans", and via the Cash Converters website (<https://www.cashconverters.com.au>)
- All persons engaging in retail product distribution conduct must have completed all necessary internal credit, Design and Distribution and Internal Dispute Resolution training modules.
- All distributors are required to record all dealings in Cash Converters proprietary loan origination system

This product is likely to be consistent and aligned with the identified target market's needs, objectives and financial situation due to the following origination process, controls, and features:

Distribution Considerations

- Consumers must complete an application form declaring their needs and objectives, their sources of income and their essential living expenses
- Consumers must provide bank account statements for a suitability check to be undertaken and to verify their declared income and expenses
- Consumers receiving government benefits must provide the income statement issued by Services Australia (Centrelink Income Statement)
- Consumers must pass our ID verification process
- A credit enquiry of the consumers credit file history is conducted to further verify their financial situation

The above origination process and distribution conditions are essential to ensure that:

- Cash Converters' Reasonable Steps controls are followed;
- Existing controls such as responsible lending are applied;
- All distributors understand their obligations to ensure that each customer is within the product's target market before engaging in retail product distribution conduct; and
- Reporting and monitoring data can be collected efficiently.

Product Name **Cash Converters Line Of Credit ("LOC")**
